RE: Donation Request

Dear Supporter,

Del Lago Academy Foundation is having a Spring Ice Cream Social and Fundraiser. The funds from this year's fundraiser will benefit all of the scholars at Del Lago Academy, Campus of Applied Science. The mission of the foundation is to support the school with the goal of preparing future scholars, innovators, and world citizens. Our parent volunteer organization works towards raising funds supporting school clubs, afterschool programs, sports and teacher grants for classroom enrichment.

Our event is being hosted at Del Lago Academy and will have an ice cream social with a raffle. It is our sincere hope that you will participate by donating a gift certificate or an item to raffle. Last year we raised over \$2,000 which directly supported our scholars.

Event Date – April 9, 2019
